

**“This refrigerator
belongs in
a museum.”**

**“Skip the exhibit. Recycle
it and get \$50 instead.”**

—**Zoe**, Your Good Energy Guide

“Retiring an old fridge can make a big impact. We’ll handle everything at no cost.”

—Zoe, Your Good Energy Guide

Your backup fridge could add \$80 a year to your energy bill.* Recycle it and start saving.

How it works:

Schedule your no-cost pickup.

We’ll pick up your appliance from inside or outside your home.

Get \$50 for each fridge or freezer, plus \$25 for every room A/C, dehumidifier, or mini fridge.

Scan the code or call **833-202-3658** to schedule your pickup.
