

“Keeping your  
home comfortable  
can be affordable.”

—Zoe, Your Good Energy Guide

With the **Home Performance with ENERGY STAR<sup>®</sup> Moderate Income Offering**, you can get **major discounts\*** on big-ticket improvements that could lower your energy costs by 20%.<sup>†</sup> These upgrades might include:

Air sealing  
and insulation

A new heat pump  
water heater

A new heating and  
cooling system

## Four Steps to Low-Cost Improvements

1. Find out if you qualify and then schedule your no-cost assessment

2. We'll check out your home and may even install no-cost energy-saving products

3. Review your custom energy report and plan your upgrades with your contractor

4. Move forward with your improvements and start saving

Energy efficiency upgrades shouldn't feel out of reach. Find out if you're eligible by scanning the code or calling **866-353-5799**.
