

Save \$75 on an ENERGY STAR® Certified Smart Thermostat

Here's How It Works

Visit any Maryland retailer to shop for ENERGY STAR certified smart thermostats. Purchase a qualifying product and then complete and submit your rebate form. Or purchase from the Delmarva Power Marketplace and receive your rebate instantly. No matter which option you choose, the final cost will be lower, and you can save money and energy for years to come.

To learn more, apply online, and find rebates on a variety of other ENERGY STAR certified appliances, visit delmarva.com/ApplianceRebates.

Additional Ways to Save From Delmarva Power

QUICK HOME ENERGY CHECK-UP PROGRAM

Schedule a no-cost HomeEnergy Assessment to learn quick and easy ways to make your home more energy efficient.

HOME PERFORMANCE WITH ENERGY STAR PROGRAM

Find ways to save on monthly energy costs and get rebates up to \$7,500 on home upgrades.

LIGHTING PROGRAM

Get an instant in-store discount on each select ENERGY STAR certified LED bulb and lighting fixture.

Receive up to \$160 and make saving money and energy automatic if you're a Delmarva Power customer with central air conditioning.

To learn more about these and other energy-saving programs, call **1-866-353-5799** to speak with an energy efficiency adviser or visit delmarva.com/SaveEnergy today.

Offer valid for Delmarva Power residential customers in Maryland only. EmPOWER Maryland programs are funded by a charge on your energy bill. EmPOWER programs can help you reduce your energy consumption and save you money. To learn more about EmPOWER and how you can participate, go to delmarva.com/SaveEnergy.

WE'LL HELP YOU SAVE \$75 ON A SMART THERMOSTAT

An Exelon Company

An Exelon Company

Use the Attached Mail-in Rebate Form to Save

Nearly half your household's annual energy bill goes to heating and cooling. A smart thermostat learns your patterns and automatically adjusts your home's temperature to improve comfort and performance. It is connected to Wi-Fi, so you can control it from anywhere.

Only ENERGY STAR certified models are eligible for a rebate. Visit delmarva.com/SmartTherm to determine which models qualify.

To learn more, call **1-866-353-5799** or visit delmarva.com/SmartTherm.

Eligibility

- Customers applying for a smart thermostat rebate must have a heat pump, gas furnace, electric furnace, and/or central A/C units in order to be eligible for a rebate.
- Offer open to all Delmarva Power Maryland residential customers. Limit two smart thermostat rebates per Delmarva Power residential account on rebates submitted beginning Sept. 1, 2021, or while funds are available.
- Rebate application must be accompanied by proof of purchase including a copy of the dated sales receipt with model number.
- Qualified smart thermostat must be purchased in Maryland, or the buyer must demonstrate having paid the applicable Maryland sales and use tax.
- Rebate application must be postmarked no later than 60 days from purchase date.
- \$75 rebate is for ENERGY STAR certified smart thermostats.
- Details such as rebate amounts and eligible appliances are subject to change at any time.
- The rebate paid will not exceed the purchase price of the product.

Smarter Thermostat, Bigger Savings

Enroll your smart thermostat in **Energy Wise Rewards**. Then start saving automatically by initiating conservation periods on Peak Savings Days when energy demand is high. **Earn up to \$40 in bill credits** each year you participate. You will also be eligible for thermostat optimization, which uses insights from local weather and your smart thermostat's data to make customized adjustments for your home.
